

PRIVATE USE

2000 SERIES Rear Loading

Constructed of heavy duty extruded aluminum frames and decorative die-cast aluminum doors with gold powder coat finish. The doors are designed with an indentation for easy application of adhesive identification numbers. Each door is equipped with a 5 pin cam lock (1000 changes) and 2 keys. Shelves are high impact polymer. All modules are completely assembled and pre-drilled for easy installation. Full modules are available in a choice of 8, 16 or 30 compartments per module.

REAR LOADING:

All modules are designed to fit between 24" on center studs. Full modules measure 22 1/2"W x 26 1/2"H x 15"D. One half modules, 2016 1/2 (8 doors) and 2008 1/2 (4 doors) measure 22 1/2"W x 14"H x 15"D.
