Florence versatile™ 4C Mailbox Suites

Florence 4C mailboxes are USPS approved. Your installation/layout must also meet a 1:5 parcel locker to mailbox ratio and installation requirements (see next page) if serviced by the U.S. Postal Service. Please contact your local Post Office® if you have any compliance questions re: your specific project.

Sample Installation Dimensions

Installation Requirements

The drawings shown above represent minimum installation requirements for 4C installation. Dimensions shown are simply for reference purposes. Installers should use the following guidelines when installing for USPS mail delivery (private delivery installs should follow these rules for accessibility, but are not required.)

1. At least one customer compartment shall be positioned less than 48 inches above the finished floor.
2. No parcel locker compartment (interior bottom shelf) shall be positioned less than 15 inches above the finished floor.
3. No customer lock shall be located more than 67 inches above the finished floor.
4. No customer compartment (interior bottom shelf) shall be positioned less than 28 inches above the finished floor.
5. The USPS Arrow lock shall be located between 36 and 48 inches above the finished floor.
