MAIL PACKAGE DROPS - U.S.P.S. APPROVED

Made entirely of aluminum, U.S.P.S. approved 4300 series mail package drops feature both a front and rear access locking door. Mail is deposited through a non-locking access panel on the front. Each unit includes an outgoing mail tray, a lock with two (2) keys on each door (keyed alike) and an adjustable red signal flag. Units are available in a powder coated black, green, silver or white finish. Mail package drops can be mounted on the optional bolt mounted (#4395) or in-ground mounted (#4385) aluminum pedestals or a base of your choice. Non-locking thumb latches (#4388) are available as an option upon request. Mail package drops are approved for U.S.P.S. curbside mail delivery. Master postal lock not required.

CUSTOM ENGRAVED PLACARDS

8-1/2" W x 2" H custom engraved self-adhesive placards are available as an option upon request. (#4357)
